To the attention of the president of the association

Dear Sir or Madam:

For us it is truly a pleasure to contact you to present our beloved hostel. First of all, thank you for your kindness in reading this letter of introduction.

We began our journey a few months ago with the dream of being able to give back to the pilgrims a little of what we received every day in our journey along the Camino, and to be able to offer a shelter in which we extend our humility and gratitude.

Nowadays, it is possible to describe our shelter in 10-lines with services that the pilgrims can find on the Internet, and that is why it is so important for us to explain our values to contribute, and of course, we have also attached information about our services so that you can include it in your guide.

Being part of the Camino is a great responsibility, and for us, making it a home for pilgrims is a pleasure. By calling it "La Casa del Camino" we think we describe it perfectly: we provide a place for pilgrims to have a good talk, with a good glass of wine by the fire, or spend the afternoon with other pilgrims in the hammocks or in the pool laughing and helping them experience true joy, where they give us their presence. We also value real listening, healing their feet or giving a hug when it seems that there is no one who can be there. For us, this is the Camino and more. Beyond the basics of eating homemade food, showering like kings (and queens!) or peaceful sleep, which are all important, we try to

offer a home away from home, which is at the heart of our mission, and is truly an honor for us.

Of course, we have modern facilities adapted to the needs of the pilgrims, making their stay at the hostel as pleasant as possible.

In short, this is a cozy, quiet place with a family atmosphere.

We are hoping that you can include us on your itinerary someday. Please receive a cordial greeting from the hostel CASA DEL CAMINO.

WE WISH YOU HAPPY HOLIDAYS AND A PROSPEROUS 2017

Sincerely,

Alejandra B. Laso
